64 responses

3. Your Experience in JTGDC-

64 responses

Alumni Feedback (2023-24)

Suggestion(s) or Observation(s), if any-

In this section the important Suggestions/Observations provided by the Alumni are being listed to implement them in due course of time as per rules:

- Ms. Stuti Agarwal, Alumnus, suggested that, courses available on SWAYAM portal of GoI may be used for skill development of students. These SWAYAM courses may also be undertaken by the students in lieu of ordinary Project-works.
- The Library services should be further enhanced by providing more reference books along with a bigger and separate reading room for teachers and students/research scholars
- The College Alumni may provide counselling and guidance services regarding the career and educational opportunities available for the students of the college
- There should be availability of P.G. as well as research programmes in all the subjects to cater to the needs of students and research scholars
