21. Give three observations/suggestions to improve the overall teaching-learning experience in your institution: Following are the major observations/suggestion given by the students to improve the overall teaching – learning experience in the institution-

- All the Teachers should use LCD projector and multimedia while teaching
- Teacher and Student inter relationship should be so co-ordinated that students may put their problems in front of the teacher
- The Smart Class rooms need to be fully functional along with upgradation of Common Room
- The College should ensure hygienic restrooms. The provision of water cooler with increased capacity should be made
- The Library infrastructure needs to be further improved
- The Scope of remedial classes should be further enhanced
- The student-teacher interaction be made more effective sometimes covering even personal guidance/counselling needs of the learner
- The co-curricular activities organized in the college used to be outstanding
- The programmes organized by different Cells & Committees used to be very encouraging, helpful and contemporary for over all growth and development of the students
