21. Give three observations/suggestions to improve the overall teaching-learning experience in your institution: Following are the major observations/suggestions given by the students to improve the overall teaching – learning experience in the institution-

### Favourable side

- The College has hygienic restrooms and the provision of water cooler is up to the mark
- The Library infrastructure needs to be further improved
- The remedial classes are very useful for us
- The organization of various programmes for students are very helpful regarding personal guidance/counselling needs of the learner
- The co-curricular activities organized in the college used to be outstanding
- The programmes organized by different Cells & Committees used to be very encouraging, helpful and contemporary for overall growth and development of the students
- The college is a best place for Girls' education with parental guidance, protection and support
- The teachers are skilled in their academics and are effective motivators
- Over all environment of the college is feasible for all round development of the students

### Unfavourable side

- All the Teachers should use LCD projector, smart board and multimedia as far as possible while teaching
- The facility/provision of internship for students should be provided along with main teaching learning experiences wherever possible
- In larger classrooms the sound amplifier systems must be augmented to reach students sitting in each and every corner
- Provision of Intermittent class tests and project work to facilitate enhanced teaching-learning experiences
- The appropriate playground should be provided to facilitate outdoor sports activities
- Every U.G. student must be assigned with a teacher mentor so that students may put their problems in front of the teacher
- The teachers should be bi-lingual while interacting with students during the class
- The white boards installed in the class rooms should be cleaned properly
