24. The Problems, which you are facing in the College-

In this section the main problems faced by the faculty members are being listed to address them in due course of time as per rules:

- Lack of space and underdeveloped infrastructure as per need of the students and teachers which sometimes hinders intellectual and personal growth as there are no P.G. classes as well as PhD. Programmes in most of the subjects
- Lack of adequate number of classrooms
- Shortage of non-teaching and supporting staff
- Management should be more cooperative for smooth functioning of teaching-learning
- Sometimes the lack of cleanliness in classrooms and toilets is being observed
- Delay in Ph. D course approval
- Lack of peaceful and congenial space for discussion with students, research scholars and for self-study as well.
- Unsatisfactory Canteen facilities and Parking Space
- Sometimes the given workload to faculty members by the authority don't match their specific field, capacity and proficiency.
- Gents washroom is not available in the first floor, laptop charging point is not available on the desk in staff-room and the Air conditioner for summer season and heater or blower for winter season in staff room should be provided.

25. Your suggestion(s) for further improvement of the College-environment/Infrastructural Facilities etc.-

In this section the important suggestions provided by the faculty members are being listed to implement them in due course of time as per rules

- Permanent non-teaching staff should be recruited at the earliest
- Introduction of Research to all subjects
- More non-teaching staff required at the college
- Management can be more friendly and inclusive in decision making towards teaching staff
- Better infrastructure in terms of rooms, furniture, etc may be provided
- College should have some more green cover. Better waste disposal, healthy eating options at the canteen.
- Infrastructural update needed
- Better library
- Research in all the departments, infrastructure support to dedicate time in research during college hours
- College should strengthen infrastructure, new building and campus is the need of hour
- College management should establish a new campus and provide support for new PG and PhD course
- Faculty and staff recruitment must be completed on time at regular intervals

Teacher's Feedback Form (2023-24)

- There should be at least one proper classroom at the ground floor
- Lift facility should be made available. Staff room should be equipped with basic amenities like AC, Refrigerator, heating system like microwave and Tea facility
- There should be at least one western toilet which should be cleaned properly.
- Provision of more mounted projectors in classrooms
- Provision of well-equipped/furnished room for research scholars
- Canteen facilities be further improved in terms of quality and functioning hours
- Library facilities be further augmented to facilitate teachers, students and research scholars
- The campus landscape must be further improved
- The internal official functioning be further strengthened to speed up the movement of files and reimbursement process to the teachers
- Parking facilities needs to be further improved
- Coaching for competitive exams should be started for students
- M.A. and Ph.D. in remaining subjects are recommended.
- Employ staff, at least one staff specifically for teachers, provide space, classrooms, improve sanitation, variety in canteen menu, availability of canteen facility till 4.00 pm, etc.
- Washroom facilities should be made better (specially at first floor)
- Teachers who help students at home and guide them additionally apart from syllabus, should also be counted as mentoring and should be acknowledged by the college authority. Because sometimes college hours are not enough for curious students who wants to improve and progress more.
- Faculty members be rewarded for their outstanding performance in Academic and Administrative contributions through college funds and Playground may be further Augmented
